

## **41 CLUB : WEBSITE AND DATA BASE REPORT : 2014**

President Bruce and Members

There have been no major changes to the website during the previous twelve months. The site has been updated as news comes in. A new section has been set up to provide information on the International Half Yearly Meeting to be held in Blenheim on Friday 31 October and Saturday 1 November 2014. This will be continuously updated as information comes to hand.

President Bruce has been preparing a quarterly online newsletter which has been well received from feed back given to me.

I have also been circulating newsletters from the 41 Club International Secretary and Apex 40 Australia when received from these organisations.

I have spent many an hour updating our data base during the the year. I did eventually get all email addresses correct for a few months. Not an easy feat I can assure you. Lately however we have had some emails bounce which I am starting to check up on. Thank you to those members who have notified me when they have changed their email address. This is very much appreciated.

I would like to also thank the members who have provided feed back on the emails I have sent out. I have responded to most of you and I apologise to those I have not.

If required I am prepared to put my name forward to do these jobs again next year.

Yours in 41

Alan Nimmo

Website Manager/ Caretaker
